

## The Windows and Mac Solution!

1 copy of AccuRIP and your ready to print from ALL networked COMPUTERS!

That's right; setup AccuRIP software on one computer and "share" the AccuRIP print driver through your network.

### **WINDOWS:**

Setup AccuRIP then from Windows "Printers and Faxes" Control Panel (right click) and "share" the AccuRIP to Epson "your model" driver.

Done!

### **MACINTOSH:**

Setup AccuRIP then from the Mac "System Preferences" select "Share" and turn on "Printer Sharing.

Done!

Apple by default shares all your printers. In order to customize this list open the System Preferences and choose "Print&Fax". From the "share" tab click the printers you wish to share or not share.

EZ!

No need to load AccuRIP software on the other computers, those users just choose AccuRIP as a NETWORK SHARED PRINTER and print.

Simple!

The list of features and benefits of AccuRIP keep growing. This is a huge cost savings.

**One Software, One Price** (\$495. - Epson 1280 through the 4800) (\$795. - Epson 7000 through the 9800) for all your computers. Unlimited network use.

Your customers will thank you! Thank you for trusting in Freehand Graphics.
